Description:

With just one sip, you'll discover how dangerous this wine is. Dangerous? The fruity, fresh and lively taste of this mild sparkler will enchant and draw you in. It's light, and very approachable nature makes it an easy sipper and, somehow, it seems to disappear quicker than most. The light, mixed berry nose intrigues, and the dry effervescent palate delivers refreshment. The true danger is that you may have just found your new favourite wine.
