Description: This “kitten with claws” is laser focussed with a lively acidity. Rich and comforting, it is like the feel of the softest fur, but then the subtle, fiery black pepper note engages and the wine shows its true spirited nature. It is not a relaxed, sweet Icewine, but an Icewine with verve, energy and spice. The array of mature field berry notes are too numerous to list but they carry their own weight while still blending to give an overall, amazing, mouth-filling experience. Enjoy the cuddle but be ready for the claws!
